DECLARATION

I, Charles Chester Irwin, Jr., declare and say with knowledge that willful false statement and the like so made are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements would jeopardize the validity of the application or any patent issuing thereon:

"I am a citizen of the United States of America residing at RR 4, Box 4481, Grapeland, TX 75844.

"I have read the specification and claims, and I verily believe I am the original, first and sole inventor of the invention entitled 'Backwash Production Unit'.

"I do not know and do not believe that the invention was ever known or used in the United States of America before my invention thereof.

"I do not know and do not believe that the invention was ever patented or described in any printed publication in any country before my invention thereof or more than one year prior to this application.

"I do not know and do not believe that the invention was in public use or on sale in the United States of America more than one year prior to this application.

"I acknowledge my duty to disclose information of which I am aware which is material to the examination of this application.

"The invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to this application by me or my legal representatives or assigns.

"No application for patents or inventor's certificates on the invention have been filed by me or my legal representatives or assigns in any country foreign to the United States of America prior to this application.

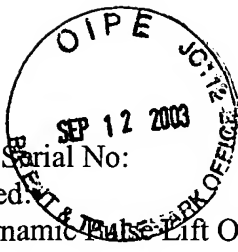

"All statements made herein of my own knowledge are true.

"I believe all statements made herein on information and belief to be true.

"I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct."
